Description

The sci-fi survival horror classic Dead Space returns, completely rebuilt from the ground up to offer a deeper and more immersive experience. This remake brings jaw-dropping visual fidelity, suspenseful atmospheric audio, and improvements to gameplay while staying faithful to the original game’s thrilling vision. Isaac Clarke is an everyman engineer on a mission to repair a vast mining ship, the USG Ishimura, only to discover something has gone horribly wrong. The ship's crew has been slaughtered and Isaac’s beloved partner, Nicole, is lost somewhere on board. Now alone and armed with only his engineering tools and skills, Isaac races to find Nicole as the nightmarish mystery of what happened aboard the Ishimura unravels around him. Trapped with hostile creatures called Necromorphs, Isaac faces a battle for survival, not only against the escalating terrors of the ship but his own crumbling sanity.
