Description

The turn-based, tactical battle system returns with a fresh cast of characters you can customize and Engage to carefully craft your strategy. Aside from merging appearances, Engaging lets you inherit weapons, skills, and more from these battle-tested legends. Summon valiant heroes like Marth and Celica with the power of Emblem Rings and add their power to yours in this brand-new Fire Emblem story. In a war against the Fell Dragon, four kingdoms worked together with heroes from other worlds to seal away this great evil. One-thousand years later, this seal has weakened and the Fell Dragon is about to reawaken. Obtain Emblem Bracelets to Engage with more Emblem characters and get items and new accessories with the Paid DLC for the Fire Emblem Engage game. As more waves become available, you can test your mettle in even more Divine Paralogues, obtain Emblem characters and accessories, and experience a brand-new story with added characters and locations. Description Use hero-summoning strategies to defeat an ancient threat in a brand-new Fire Emblem game In a war against the Fell Dragon, four kingdoms worked together with heroes from other worlds to seal away this great evil. One-thousand years later, this seal has weakened and the Fell Dragon is about to reawaken. As the Divine Dragon, use rich strategies and robust customization to meet your destiny—to collect Emblem Rings and bring peace back to the Continent of Elyos. Team up with iconic heroes from past Fire Emblem games Summon valiant heroes like Marth and Celica with the power of Emblem Rings and add their power to yours in this brand-new Fire Emblem story. Aside from merging appearances, Engaging lets you inherit weapons, skills, and more from these battle-tested legends. The turn-based, tactical battle system returns with a fresh cast of characters you can customize and Engage to carefully craft your strategy.
