Description

All In One Cover Set: What You Get:1*VR Headset Protective Shell, 2*Silicone Controller Covers, 2*Controller Shakes Stick Cap, 1*Face Cover, 1*Lens Cover, 1*Lens Cleaning Cloths. Oculus Quest 2 Accessories: The Cover Set for Oculus Quest 2 fits flawlessly and tight. Protects it from drops or scratches, Also it keeps it from getting dirty! The silicone is MUCH easier to clean than the white plastic of the oculus itself. Cool Addition To Oculus: The Protective cover is very easy to install and the cutouts sit perfectly over all sensors and buttons, It will not Block the sense. With 4 colors to choose from, Which adds a nice stylish touch and true protection for your device. Controller Grip Cover: The silicone is buttery soft and makes the controllers very comfortable to hold! Grips can be adjusted (for multiple users), Solving the problem with the controllers flying off the kid's or small hands, saved your controllers from various hits and fall Comfortable face Cover: Face cover is made of soft silicone material, Solving the problem of smell coming off the original factory foam, worked well for keeping sweat off of the stock pad. No light leaking through makes the experience more immersive. Protective Shell cover: Protective shell cover fits the Quest snuggly, protecting the headset from the dings, drop, and scratches. Holes in all the right places for the sensors and cameras. and has the slits on the top bottom and side to properly allow airflow threw the oculus.
