Description

Bayonetta struts through multiple locations in an all-new, over-the-top climax action game. Sporting a wicked new ensemble and somehow familiar pigtails, the titular Umbra Witch must face a mysterious evil using her signature guns and time-slowing Witch Time ability. This time, invading manmade bioweapons called Homunculi find themselves in Bayonetta’s crosshairs. Tap into Bayonetta’s naughtier side with Demon Masquerade, a new ability that channels the demon linked to her weapon allowing for some exciting action options, not to mention some hair-raising combos. Summon demonic darlings like Gomorrah, Malphas, and Phantasmaraneae during battle, unleashing their demonic powers in the heat of combat and in new, larger-than life battles where you directly control the action. Fight your way through the streets of Tokyo, the mountains of China, and many other locales! Along the way you’ll meet a virtual coven of Bayonettas, each more fabulous than the last. Play as Viola, a feisty witch in training who fights with a sword and a capricious companion, the demon Cheshire. Description The witch is back and more powerful than ever!
