Description

Gotham Knights is a brand-new open world, third-person action RPG featuring the Batman Family as players step into the roles of Batgirl, Nightwing, Red Hood and Robin, a new guard of trained DC Super Heroes who must rise up as the protectors of Gotham City in the wake of Batman’s death. An expansive, criminal underworld has swept through the streets of Gotham, and it is now up to these new heroes to protect the city, bring hope to its citizens, discipline to its cops and fear to its criminals. Players must save Gotham from descent into chaos and reinvent themselves into their own version of the Dark Knight. Features Play as a New Guard of DC Super Heroes-Step into the roles of Batgirl, Nightwing, Red Hood and Robin and shape Gotham’s newest protector to create your own version of the Dark Knight. Action-Packed, Original Story Set in DC’s Batman Universe – With the Belfry as their base of operations, this new era of heroes will solve mysteries that connect the darkest chapters in Gotham’s history – from its soaring towers to its underground criminal network. Explore and Fight Crime in an Open-World Gotham City. Patrol the dark streets of five distinct boroughs in a dynamic, interactive Gotham using a variety of traversal abilities and heroic combat moves, as well as the iconic Batcycle. Each hero has unique abilities, gear, weapons and a customizable suit. Batgirl wields her melee tonfa Nightwing uses his signature dual escrima sticks; Red Hood has trained to reach peak human strength; and Robin is expertly skilled with his collapsible quarter staff. Team up in Two-Player, Online Co-Op – Play Gotham Knights solo or team up with a friend and combine strengths to protect Gotham City in two-player, online co-op.
