Description

About Truck Driver When you inherit a truck from your uncle, you decide to take your chance and move to a new city. Here, it’s up to you to make a name for yourself and earn the respect of the local community. Drive through a seamless open world, work with all kinds of people ranging from a constructor to a lumberjack and honor your uncle by making it as a Truck Driver! Players get to meet all sorts of unique characters and build relationships with them by successfully completing transport jobs, to fully experience the eventful career life of a trucker. The story behind Truck Driver SOEDESCO released a video today in which they give a look behind the scenes at developer Triangle Studios and show some of the first Truck Driver gameplay footage. In the video they explain that Truck Driver focuses on the player’s experience as a truck driver and their interaction with the local community. Features Enjoy a trucking experience focused on your career as a truck driver Build stronger relationships with the local community with each job Customize your truck with tons of parts and tune it to your liking Explore a vast open world and watch it progress with you Navigate through beautiful landscapes and fully explorable cities
