Description

Release Date: 25/02/2022 Grid Legends delivers thrilling wheel-to-wheel motorsport and edge of your seat action around the globe. Create your dream motorsport events, hop into live multiplayer races, be part of the drama in an immersive virtual production story, and embrace the sensation of spectacular action racing. Gameplay Grid Legends delivers instant thrills and iconic racing moments for anyone who dreams of jumping in an amazing car and hitting the loud pedal. Embrace the sensation of racing at the highest speeds, in the world’s most incredible cars, through stunning locations, with action and drama everywhere you look. Race Creator Use the Race Creator to design adrenaline-fuelled races to tear up with your friends, with event types like Elimination, electrifying Boost races, and the return of Drift. Choose the location and weather, pit different car classes against each other, and dictate every key factor of a race to make it your own. Online Racing Seamlessly enter the action, organize the perfect multiplayer session, and create stories with other racers with our innovative social online options. Story Take the spotlight in a dramatic racing story, brought to life by a world-class cast including Ncuti Gatwa, using revolutionary virtual production cutscenes. Experience edge-of-your-seat action in a spectacular motorsport world, see the controversy in the paddock, and overcome the infamous Ravenwest Motorsport in your fight to the front of the pack. Racing Variety Create unforgettable racing moments with Grid’s largest ever roster of cars and locations, hand-picked for heart-pounding action. Push over 100 of the world’s most desirable vehicles to their limit, all available to upgrade, tune, and visually customize. *CONDITIONS AND RESTRICTIONS APPLY.
