Description

A new wave of immersion Immerse yourself completely in your games with the Razer Kraken v3and its 7.1 surround sound. With these headphones on, you'll be able to take on your opponents with ease. This circumaural headset features thick padding and a removable HyperClear microphone to make communicating with your teammates simple and clear. And with its Razer Chroma RGB backlighting, give it a unique look. POWERFUL, REALISTIC SOUND The Razer Kraken v3 features 7.1 surround sound so you can enjoy accurate positional sound while you play. The Kraken v3 brings your games to life by projecting a 360-degree soundstage all around you. Experience realistic acoustics and hear everything as if you were in the middle of the action. The Razer Kraken v3 features 50mm Razer TriForce speakers to bring your games to life with high-fidelity audio. Enjoy clearer sound with richer highs and more powerful bass. DESIGNED FOR COMFORT The Kraken v3 is the perfect balance between comfort and noise isolation. It features memory foam and hybrid fabric ear cushions for incredible comfort. Plus, the soft headband padding relieves pressure on your head during long gaming sessions. Finally, the headset applies just the right amount of force for a firm, yet comfortable fit. And thanks to the removable HyperClear microphone, you get better speech pickup and noise cancellation, ensuring better clarity and natural representation of your voice.
