Description

Release Date: 17/02/2022 Experience the award-winning series as you become Ezio Auditore da Firenze, the most celebrated and iconic Master Assassin in the franchise. Includes the acclaimed single-player campaigns and all solo DLC from three games: Assassin’s Creed II, Assassin’s Creed Brotherhood, and Assassin’s Creed Revelations, as well as two short films. Live the complete saga of a Master Assassin. Learn the ways of the Assassins and seek vengeance for the betrayal of your family. Journey through 15th-century Renaissance Italy and become the most legendary leader of the Brotherhood, then embark on a final quest of discovery as you learn the truth about the Creed. Includes enhanced features for the Nintendo Switch system, such as HD Rumble and more.
