Description

The stylish Logitech MK270 Wireless Keyboard and Mouse Combo is perfect for the home office or workplace. Ditch the touchpad for this full size keyboard and mouse. Easily connect using Logitech's plug and forget receiver—just plug it into the USB port, and you're ready to work. There's no lengthy installation procedure to slow you down. When you're on the move, the receiver stores comfortably inside the mouse. Both the keyboard and mouse included in the MK270 combo use wireless 2.4GHz connectivity to provide seamless, interruption free use. Use the keyboard within a 10 m range without keyboard lag. Work for longer with the MK270's long battery life. The keyboard can be used for up to 24 months, and the mouse for 12 months, without replacing batteries. The Logitech MK270 keyboard includes 8 hotkeys that are programmable to your most used applications to boost your productivity Features & details Reliable Plug and Play: The USB receiver provides a reliable wireless connection up to 33 ft (1), so you can forget about drop-outs and delays and you can take it wherever you use your computer Type in Comfort: The design of this keyboard creates a comfortable typing experience thanks to the low-profile, quiet keys and standard layout with full-size F-keys, number pad, and arrow keys Durable and Resilient: This full-size wireless keyboard features a spill-resistant design (2), durable keys and sturdy tilt legs with adjustable height Long Battery Life: MK270 combo features a 36-month keyboard and 12-month mouse battery life (3), along with on/off switches allowing you to go months without the hassle of changing batteries Easy to Use: This wireless keyboard and mouse combo features 8 multimedia hotkeys for instant access to the Internet, email, play/pause, and volume so you can easily check out your favorite sites Comfortable Mouse: This compact wireless mouse is designed to be equally comfortable for both left- and right-handed users, plus its smooth cursor control allows easy navigation on most surfaces Favorite Wireless Combo: MK270 brings together familiar typing, wireless freedom, and long battery life; no wonder this is the world's top-selling combo(4)
