Description

Release Date: 22/10/2021 The Dark Pictures Anthology is a series of standalone, cinematic branching horror games where the decisions you make in the game determine the story you receive House of Ashes is the third game in the series. Iraq, 2003. As the conflict draws to a close, CIA fi eld operative Rachel King joins an elite military unit on a raid of a suspected underground chemical weapons facility in the shadow of the Zagros Mountains. Arriving at the coordinates, the unit is ambushed by a local patrol led by Sergeant Salim Othman. During the battle, an earthquake opens sinkholes in the ground, pitching both sides into the ruins of a buried Sumerian temple. In the darkness beneath the Arabian Desert, something evil is awakened. Savage and unstoppable, a nest of ancient and unearthly creatures has a new prey to hunt. Horrific discoveries and impossible decisions face the survivors as they strive to navigate the underworld and escape the terrifying threat. Will hey each prioritize their own survival, or put aside their fears and their personal rivalries to fight together as one? Descend in the Dark Abyss Navigate a subterranean labyrinth and escape the starving creatures that found their new prey to hunt The Enemy of your Enemy Will you prioritize your own survival, or will you put aside your fears and personal rivalries to fight together as one? Don't Play Alone Play online with a friend or up to 5 friends offline, share your story and cooperate wisely to save your cast... Abandon Hope All who enter here.....
