## Description

Release Date: 03/12/2021 Take on a series of brain-bending activities that test your mental mettle in the Big Brain Academy: Brain vs. Brain for Nintendo Switch system. Go brain-to-brain with friends and family in 4-player matches to see who gets the highest score. Everyone can play together at varying difficulties, so a kid can hold their own against an adult in this battle of the brains. Play a wide variety of activities, like memorizing a series of numbers, identifying an animal as it slowly comes into focus, or helping guide a train to its goal in fun, fast activities Battle with up to 4 players in quick, brain-bending activities Each player can set their own difficulty in multiplayer so that kids and parents can have an even playing field Treat your brain to quick mental fun by taking a 5-activity test or practicing individual activities in Solo mode Show your studious style by unlocking outfit options for your in-game avatar Compare scores with friends and family online or go brain-to-brain against mind-masters near and far in Ghost Clash (Requires Nintendo account and Nintendo Switch Online membership (sold separately))
