Description

Release Date: 10/09/2021 Travel to the distant planet of Dahna in Tales of Arise for PlayStation 5. Ruled by Rena, a planet once known to be righteous and divine, the people of Dahna are now being stripped of their resources and freedoms. Experience the story of two people, born in different worlds, who each want to create a new future for themselves and their people. Latest entry in the series is a dynamic action RPG with an updated battle system and classic Tales of gameplay mechanics Venture to Dahna where the people have revered the planet Rena for generations For 300 years, Rena has ruled over Dahna, stripping the land of its resources and its people of their dignity and freedom Follow the story of 2 people born in different worlds as they work to change their fates and create a new future Animation by ufotable delivers a vibrant world and a new cast of characters for an immersive gameplay experience
