Description

Release Date: 19/11/2021 Battlefield 2042 is a first-person shooter that marks the return to the iconic all-out warfare of the franchise. Adapt and overcome in a near-future world transformed by disorder. Squad up and bring a cutting-edge arsenal into dynamically-changing battlegrounds supporting 128 players*, unprecedented scale, and epic destruction. Features A World Transformed by Disorder In 2042, extreme weather events and resource conflicts have shifted the balance of global power. 128 Simultaneous Players For the first time in Battlefield’s history, 128 players can join the all-out war at the same time. Supported on Xbox Series X|S, PlayStation 5, and PC only. Xbox One and PlayStation 4 will be locked at 64 players. Vast and Dynamic Environments Get an even greater sense of spectacular, large-scale war on seven massive maps – crafted through a revamped design philosophy. A Cutting-Edge Arsenal Unleash your combat creativity through a full roster of cutting-edge weapons, vehicles, jets, helis, and all-new equipment inspired by the near-future of 2042. Specialists Choose your role on the battlefield and form hand-tailored squads through the new Specialist system. New Seasons, New Content You and the community will progress in Battlefield 2042 through a Season system, which will continuously bring fresh updates to the game.
