Description

Release Date: 28/10/2021 Jump into the Riders Republic massive multiplayer playground! Grab your bike, skis, snowboard, or wingsuit and explore an open world sports paradise where the rules are yours to make—or break. Battle against over 50 players simultaneously in a massive multiplayer playground. Compete in an all-out mass start race—collide, grind, and fight your way to the finish! Customize your character to show off your style to your friends or show up the competition. Bike, ski, snowboard, or wingsuit through a seamless open world in Career mode or multiplayer events. Go wild on the heights of iconic US national parks like Yosemite, Zion, and Bryce Canyon.
