Description

Release Date: 04/11/2021 Just Dance 2022, the ultimate dance game, is back with new universes and 40 hot new tracks from chart-topping hits like "Believer" by Imagine Dragons, "Level Up" by Ciara, and more! Looking to share some fun with friends and family? Just Dance 2022 is for you! Features Exercise while having fun and start your own your routine with Sweat mode. Team up with your friends and rule the dance floor in Co-op mode. Engage the little ones with eight kid-friendly songs and choreographies with Kids mode. Join more than 138 million players around the world and dance it out! Use your smartphone to track moves with the Just Dance Controller app – no additional accessories required!
