Description

Release Date: 04/06/2021 Sniper Ghost Warrior players have never taken down targets from such extreme distances before. Sniper Ghost Warrior Contracts 2 introduces fans to a dramatic single-player campaign where the stakes are at their highest, deep inside enemy territory. Players take on the role of Reaper, contract sniper assassin, operating in the heart of a lawless region of the Middle East along the Lebanese and Syrian borders. Tasked with a seemingly impossible mission - to topple an insidious criminal syndicate and bring them to justice. For the first time, Sniper Ghost Warrior Contracts 2 delivers precision long-range shooting campaign with targets over 1,000 meters away. Developed by the same studio behind the highly celebrated original Contracts, Sniper Ghost Warrior Contracts 2 pushes boundaries with the most realistic and challenging experience that the studio has ever created. Features Eliminate an array of targets from extreme long-range as contract sniper assassin. Employ tactical decision making and stealth techniques to complete demanding challenges across 2 unique single-player campaigns. Explore 5 distinct, extensive maps in the Middle East conflict zone. Execute 24 new contracts and a range of side operations. Master an expert sniping experience featuring an authentic wide selection of weapons and gear. Revisit each contract with a different approach to complete all objectives and collect maximum rewards. Stunning visuals, realistic sound fx, and heightened gameplay experience.
