Description

Release Date: 03/09/2021 Discover a dark mystery only a medium can solve. Explore the real world and the spirit world at the same time. Use your psychic abilities to solve puzzles spanning both worlds, uncover deeply disturbing secrets, and survive encounters with The Maw - a monster born from an unspeakable tragedy..The Medium is a third-person psychological horror game that features patented dual-reality gameplay and an original soundtrack co-composed by Arkadiusz Reikowski and Akira Yamaoka. Features Become a Medium Wield unique psychic abilities reserved for those with the gift. Travel between the realities or explore them both at the very same time. Use the Out of Body experience to investigate places where your real-world self can’t go. See What's Hidden Delve deep into a mature and morally ambiguous story, where nothing is what it seems and everything has another side. Play in Two Worlds at the Same Time Never-seen-before and officially patented gameplay that plays out across two worlds displayed at the same time. Explore the physical world and the spirit world simultaneously. Enter a Dark Reality The Medium’s spirit world is a dark mirror reflection of our reality, a grim and unsettling place where our unpunished deeds, evil urges, and vile secrets manifest themselves and can take on a form.
