Description

Release Date: 11/06/2021 Navigate a ravaged world, armed with your trusty lightsaber, in Star Wars Jedi: Fallen Order for PlayStation 5. Take on the role of a Jedi Padawan who managed to survive the purge of Order 66 following the events of Revenge of the Sith. Now you must complete your training and develop new abilities--all while dodging the evils of the Empire. Action-packed game puts you in the role of a Padawan who survived the events of Revenge of the Sith Use your lightsaber as you fight for survival, navigating through ancient forests, windswept rock faces, and haunted jungles Complete your training but hide your plans to revive the Jedi Order from the Imperial Inquisitors Team up with a Jedi Knight, cantankerous pilot, and fearless droid in your efforts to escape the evil machinations of the Empire Overcome intense challenges based on combat, exploration, and puzzle-solving
