Description

Release Date: April 23, 2021 Experience the world of NieR through the eyes of the protagonist as a brother in NieR Replicant ver.1.22474487139 for PlayStation 4. This prequel to NieR:Automata takes you on a journey to save Yonah from the Black Scrawl. Along the way, you'll use weapons and magic to take down your enemies and discover the Sealed Verses. NieR Replicant ver.1.22474487139 is an updated version of NieR Replicant, originally released in Japan in April 2010 Prequel to NieR:Automata features a modern upgrade, masterfully revived visuals, a fascinating storyline, and more Follow the protagonist, a young man living in a remote village, as he sets out to save his terminally-ill sister from the Black Scrawl Join Grimoire Weiss, an unusual talking tome, and go on a search for the Sealed Verses Discover the truth behind the world of NieR as you team up with an unlikely group of allies and navigate a land filled with sickness and horror Use a customized blend of swordplay and magic to defeat brutal enemies Multiple endings allow you to challenge your perspective and reveal the ultimate secrets Iconic soundtrack is newly recorded by NieR:Automata composer, Keiichi Okabe Original development team including director, YOKO TARO, and producer, Yosuke Saito, return in this latest installment
