Description

Rocket League is a unique hybrid of arcade driving and soccer that offers fast-paced, physics-based gameplay to get your adrenaline pumping. Play with as many as 7 other online players or 3 local competitors. The special Collector's Edition includes four additional Battle-Cars along with every item from the DLC packages Supersonic Fury, Revenge of the Battle-Cars, and Chaos Run. These new features expand upon Rocket League's billions of gameplay possibilities that stem from extensive customization options, unique game modes, and cross-platform multiplayer support. Rocket League Collector's Edition offers a new way to enjoy an exhilarating experience that has been nominated for over 150 ‘Game of the Year' awards. Extensive Battle-Car customizations with more than 100 billion possible combinations Unlockable items and vehicles, stat tracking, leaderboards, and more Addictive 8-player online action with a variety of different team sizes and configurations Amazing 4-player splitscreen mode that can be played locally or taken online
