Description

Plants Attack — Bring the fight to the zombies for the first time in franchise history. Go on the offensive as the plants in all-new 24-player Herbal Assault mode, or defend Zomburbia in 4-player zombie co-op in Graveyard Ops. Characters From All Ages — Bring even more strategic depth to this all-out botanical battle with 14 total character classes, and over 100 playable plants and zombies from the past, present, and future. Play Your Way — With over 7 lawn-inspiring game modes, play in crazy 24-player online battles in Herbal Assault or Gardens & Graveyards, choose the plant or zombie side in 4-player co-op, or go solo playing against AI opponents or locally in split-screen co-op across any mode in the game (no Xbox Live Gold or PS Plus required). A Living PvZ World — The struggle for Suburbia has come into full bloom, with 12 maps bursting with personality and humor, Zombossified cityscapes, and crowded airspaces, all layered with hidden secrets waiting to be discovered.
