Description

Size: 79 * 35 cm Unique Shape––the mouse pad shape curves on the right-hand side to provide you with extra space for extended hand movements. Huge Size––it will have room for both your keyboard and mouse, leaving plenty of room for comfort. Awesome Design––upgrade your gaming aesthetic with this sleek high quality printed design. Fat Rubber Base––the thick natural rubber anti-slip base material will hold a sturdy death grip on any surface you place it on. Precision Accuracy––optimized for both laser and optical gaming mouses.
