Description

Medium Size: 25 cm × 25 cm Large Size: 70 cm × 30 cm Made from anti-slip rubber material with a smooth cloth surface for precise mouse control and better glide. SMOOTH SURFACE– Made of superfine fiber braided material, optimized for fast movement while maintaining excellent speed and control during your work or game. High-elastic mouse pad ensures long-term use and no deformation ALWAYS IN SAME PLACE - Soft cloth surface with non-slip rubber base ensures precise, accurate mouse control and consistent stability on your desk. Durable anti-fray rugged stitching surrounds mouse pad to increase durability JUST A LITTLE WIPE - Water resistance coating can effectively prevent damage from spilled liquid or other accidents. When liquid splashes on the pad, it will form into water drops and slide down. You just only need to wipe it and it’ll be fine. It’s easy to clean and will not delay your work or game
