Description

Release Date: August 25, 2020 Project CARS 3 is the third installment in the best-seller racing franchise that brings all the intense thrills, emotions and fun from the vibrant world of motor racing to vivid life as players undertake a whole new exciting career journey that sees them rise from weekend warrior to racing legend. Also new to the franchise is a deeply engaging metagame that challenges players to race hard and earn in-game Credits with which to buy and own hundreds of cars from the world’s most elite brands and race them all on dynamic and spectacular circuits around the globe featuring stunning all-weather, all-seasons conditions. Race-won Credits and XP will also entice players to buy authentic performance upgrades and customisation options for their stable of exclusive cars, including wheels, tyres, body kits, rims, as well as personalisation options to create their own racing hero personas. With a completely redesigned and unrivalled controller experience, an even more accurate and fun handling model, adjustable skill settings for every level of driver and every element of weather-affected races, Project CARS 3 is the biggest, most exciting and authentic evolution to the definitive racing franchise.
