Description

Release Date: July 25, 2019 Wolfenstein: Youngblood is a brand-new co-op adventure from award-winning studio MachineGames, developers of the critically-acclaimed Wolfenstein II: The New Colossus, in partnership with Arkane Studios Lyon. Play as one of BJ Blazkowicz's twin daughters and undertake a do-or-die mission to find their missing father in 1980s Paris. Wield an arsenal of new weapons, gadgets, and power armor abilities in a fight to kick Nazis out of the city of lights. Wolfenstein: Youngblood is the first modern co-op Wolfenstein adventure. Nineteen years after the events of Wolfenstein II, BJ Blazckowicz has disappeared after a mission into Nazi-occupied Paris. Now, after years of training from their battle-hardened father, BJ’s twin daughters, Jess and Soph Blazkowicz, are forced into action. Team up with a friend or play alone. Level up, explore, and complete missions to unlock new abilities, weapons, gadgets, cosmetics, and more to complement your playstyle and customize your appearance. The Deluxe Edition includes the Buddy Pass, allowing you and a friend to play the entire game together, even if they don't own the game themselves. This edition also features the Cyborg Skin Pack, which includes: Cyborg player skin Titanium alloy skins for all weapons Titanium alloy hatchet Titanium alloy knife Armor-boosting pep signal
