Description

Release Date: 29/08/2017 Battle dinosaurs and survive an ancient landscape in Ark: Survival Evolved. Ideal for solo or group play, this game takes place on a vast island filled with primitive beasts, which run wild until you capture and tame them. Gather resources and customize your character as you find companions, grow crops and build a new civilization in Ark: Survival Evolved. Features Hunt, harvest, craft items, grow crops, and build shelters to survive Use skill and cunning to kill, tame, breed, and ride dinosaurs and primeval creatures living on ARK Team up with hundreds of players or play locally
