## Description

Multiplayer GameRelease Date: 12/03/2019 Chop up gaming buddies with Gang Beasts for PlayStation 4. The multiple colorful costume parts let you modify your gang and jostle them off careering haulage trucks, while the Beef City population push and pull each other into gigantic rotating fan blades, providing both shocking and hilarious gameplay. Gang Beasts features up to four offline multiplayer gaming modes to play with friends. Features Customize your character or gang from hundreds of colorful costume parts Fight with enemies in the melee game mode or fight against the gangs of Beef City in the gang game mode Watch amusement when the Beef City population captures, pulls, punches, pushes and drags itself Colorful gelatinous characters and hilarious scenes of cartoon violence Play with up to four players in local game modes and eight players in online game modes
