## Description

Multiplayer Game In this new edition, conquest is the buzzword. Take over the city in RISK Urban Assault and MONOPOLY Plus, and the sea in Battleship! Includes four great games: RISK Urban Assault - Lead your troops to victory and achieve global domination! Battleship - Enjoy the classic game you know and love, or get more tactical with the Clash at Sea rules. You've never played Battleship this way before! MONOPOLY Plus - Embark on a journey to own it all! SCRABBLE - Challenge opponents in person or online, and test your word skills with multiple game modes! Features: Discover everybody's favorite Hasbro board games in a brand-new light on your console! Enjoy countless hours of family fun with the iconic games RISK Urban Assault, Battleship, MONOPOLY Plus and SCRABBLE. Experience how the original games are more fun and interactive than ever on console with improved 3D graphics, amazing online modes and new social features. Visit the Hasbro Game Channel to see which games your friends are playing and join them in exciting parties! All games feature Local and Online multiplayer modes.
