Description

Release Date: September 04, 2014 Minecraft is a game about placing blocks and going on adventures. Build anything you can imagine with unlimited resources in Creative mode, or go on grand expeditions in Survival, journeying across mysterious lands and into the depths of your own infinite worlds. Will you hide from monsters or craft tools, armor and weapons to fight back? No need to go alone! Share the adventure with friends in split-screen multiplayer and online!** With constant updates and community creations, Minecraft is bigger, better and more beautiful than ever before. Explore amazing player-made maps, thrilling minigames and more! Band together with friends playing on phone, Windows 10 or console, set up your own online world with Realms*, or join one of the massive player-run servers! There are so many ways to play! *Realms requires paid subscription (sold separately). **Online multiplayer requires an active PS Plus membership. FEATURES: Play and share with friends on console, mobile and Windows 10* Discover community creations in the new in-game store Access new mini games and game modes through Servers Share the couch with four player split screen Starter Pack Contents - Includes 700 Tokens, LittleBigPlanet Mash-Up, Greek Mythology Mash-Up, Skin Pack 1, City Texture Pack
