Description

Release Date: 27/7/2018 Uncover your neighbor's hidden secrets with Hello Neighbor for Nintendo Switch. Advanced AI learns your sneaky ways and finds new challenges to block your path, while Pixar-style visuals make this game a fun experience for the whole family. Go into stealth mode and try to stay away from the man next door as you invade his home when you play Hello Neighbor. Features You move into a brand-new suburb and notice your neighbor is hiding something in his basement Sneak into your neighbor's house to figure out what horrible secrets he's hiding in the basement Try to trick the neighbor by climbing through a backyard window or sneaking through the front door, there will be traps everywhere Play against an advanced AI that learns from your every move Extremely tense, but family-friendly gameplay
