Description

Horizon Chase Turbo is a racing game inspired by the great hits of the 80's and 90's: Out Run, Lotus Turbo Challenge, Top Gear (SNES), Rush, among others. Each curve and each lap in Horizon Chase Turbo recreates classic arcade gameplay and offers you unbound speed limits of fun. Full throttle on and enjoy! Horizon Chase Turbo has Multiplayer Split Screen support across all game modes, to rescue the nostalgia of playing with your best friends sitting on a couch all night long. The hard time is to know who is your best friend because this one is also the one to be beaten. Thrilling arcade racing game, inspired by Outrun, Top Gear, Lotus Turbo Challenge, and others. Modern high-quality graphics and UI. Amazing old-style split-screen multiplayer up to 4 players. Music by Barry Leitch, Sound Designer in 90s racing classics such as Top Gear and Lotus Turbo Challenge, among others. Tons of content: 12 Cups, 48 Cities, 109 tracks, 31 Unlockable Cars and 12 Upgrades. Challenge your friends in an Online Competitive Ghost Mode. Make History by adding your name among Friends' and Global Leaderboards
