Description

Release Date: February 26, 2019 Seek out new missions and master block pieces when you play The LEGO Movie 2 Videogame for Nintendo Switch. More than 100 playable characters let you choose the right persona for every journey, and buildable LEGO brick structures lead to valuable in-game rewards. The LEGO Movie 2 Videogame features fierce battles throughout each level for added excitement. Features Emmet, Lucy, LEGO Batman, and their friends are back along with new and mysterious characters, such as General Mayhem and Rex Dangervest. Unlock and play as one of over 100 playable characters from The LEGO Movie 2 and the first movie Journey to the Systar System, and discover new worlds. Scour the LEGO galaxy for Relics and Master Pieces. Explore new worlds from The LEGO Movie 2, and revisit iconic locations from the first movie Build special LEGO objects to discover new areas and items. Unleash your inner master builder, and rebuild your own world. Use tools to create roads, change the landscape, and develop structures to unlock more rewards and missions Improved combat mechanics. Battle against the alien space invaders and challenging bosses. Use combos to unleash a special build attack for each character For one player
