Description

Release Date: March 7, 2017Number of Players: Two Players Build a brand-new environment filled with fun in LEGO Worlds for Nintendo Switch. Landscaping modes let you build your world brick by brick, or fill in whole stretches of land all at once. Use prefabricated structures to swiftly create an entire scene, and explore exciting adventures with friends using multiplayer options in LEGO Worlds. Features Buy LEGO Worlds on Switch and get access to two themed DLC packs for free: Classic Space and one more that releases later this year. Classic Space pack allows you to blast off with astronauts, explore the Moon Biome in awesome space vehicles, and build new items, structures and more inspired by your favorite LEGO® Space playsets. LEGO® Worlds is an open environment of procedurally generated Worlds made entirely of LEGO bricks which you can freely manipulate and dynamically populate with LEGO models Create anything you can imagine one brick at a time, or use large-scale landscaping tools to create vast mountain ranges and dot your world with tropical islands Drop in prefabricated structures to build and customize any world to your liking Explore using helicopters, dragons, motorbikes or even gorillas and unlock treasures that enhance your gameplay Watch your creations come to life through characters and creatures that interact with you and each other in unexpected ways From giraffe-riding cowboys to motorbike-racing vampires; from polar bears to dragons; from bazookas to bagpipes – LEGO Worlds has it all Split-screen and online multiplayer functionality
