Description

Release Date: October 16, 2018 Create your own nefarious character in LEGO DC Super-Villains for Nintendo Switch. The Justice League is gone, and the new Justice Syndicate has taken its place. Partner with classic DC villains to discover the true motives behind the new class of superheroes. LEGO DC Super-Villains features open-world exploration, giving you a unique view of the heart-pounding chaos caused by such characters as Lex Luthor, Sinestro and the Joker. Features Players will have the ability to create and play as an all-new super-villain throughout the game, unleashing mischievous antics and wreaking havoc in an action-packed, hilarious story written in collaboration with DC Set in an expansive open world experience within the DC universe, the Justice League has disappeared, leaving Earth's protection to their counterparts from a parallel universe, who have proclaimed themselves as the "Justice Syndicate" Uncover the intentions of Earth's new, strange, would-be superheroes Joined by renowned DC super-villains the Joker, Harley Quinn, Lex Luthor, Deathstroke, Killer Frost, Sinestro, and others from the Injustice League, players will set out on an epic adventure to ensure their villainy remains unrivaled Embrace your inner super-villain as you battle opponents, solve puzzles, and overcome obstacles using menacing pranks and tactics experienced from the unique perspective of bad guys Whether it's spraying graffiti on walls in Metropolis or using fear toxins to scare characters in Gotham City, super-villains have full reign to use any trick in their arsenal to stop the Justice Syndicate's evil scheme
