Description

Release Date: July 21, 2017Number of Players: Two Players Two years have passed since the original Splatoon game was released, and two years have also passed in Inkopolis! So expect a fresh wave of fashion, not to mention new weapons and gear. Dual wield the new Splat Dualies or stick to mainstays like chargers and rollers, which have been remixed with new strategic possibilities. As always, Turf War is the favored sport among Inklings, but they also dig ranked battles, taking down Octarians in a robust single-player campaign, and battling enemy Salmonids in one dangerous part-time job! Features Play local and online multiplayer, compete in local multiplayer Turf War battles, whether in TV mode or on the go in handheld or tabletop modes New dual-wielding Splat Dualies join the action, complete with a new Dodge Roll move Mainstays like the Splat Roller and Splat Charger have also been remixed to include new gameplay mechanics and brand-new special weapons Play using Joy-Con controllers or the Nintendo Switch Pro Controller, both of which enable gyro controls for better aiming and control For 1 player or up to 8 players in multiplayer mode
