Description

Release Date: January 10, 2019Number of Players: Two Players Join Mario, Luigi, and pals for single-player or multiplayer fun anytime, anywhere. Take on two family-friendly, side-scrolling adventures with up to three friends* as you try to save the Mushroom Kingdom. Includes the New Super Mario Bros. U game and a harder, faster New Super Luigi U game - both of which include Nabbit and Toadette as playable characters. Two games in one for double the fun. Simple, straightforward controls, new playable characters optimized for younger and less-experienced players, and a wealth of bonus content, such as a Hints gallery and helpful reference videos**, make this a perfect choice for anyone looking to introduce their family to the wonderful world of Mario. All a player needs is one Joy-Con controller, so two people can team up right out of the box. Tackle 164 platforming courses in two main game modes, and enjoy extra replayability with three additional game modes, in which you can also play as a Mii character: Challenges, Boost Rush, and Coin Battle. Features Two Super Mario Bros. games in one for double the fun A variety of playable characters are available, some with unique attributes that affect gameplay and platforming physics Younger and less-experienced players will love playing as Toadette, who is brand-new to both games, and Nabbit, who was formerly only playable in New Super Luigi U. Both characters offer extra assistance during play Multiplayer sessions are even more fun, frantic, and exciting thanks to entertaining character interactions. Need a boost? Try jumping off a teammate's head or getting a teammate to throw you Features a wealth of help features, such as a Hints gallery, reference videos**, and a Super Guide in New Super Mario Bros. U that can complete levels for you if they're giving you trouble Three additional modes - Boost Rush, Challenges, and Coin Battle - mix up gameplay and add replayability while also upping the difficulty for players who want to try something harder. Players can use their Mii characters in these modes Share the adventure with a friend. During two-player co-op gameplay, each player can use a single Joy-Con controller, so no additional accessories are required. Add two more players to the mix - all you need is one extra set of Joy-Con controllers (sold separately)
