Available quantity	100

Description

Release Date: September 7, 2018 Starring the world's most iconic Super Hero, Spider-Man PS4 (working title) features the acrobatic abilities, improvisation and web-slinging that the wall-crawler is famous for, while also introducing elements never-before-seen in a Spider-Man game. From traversing with parkour and utilizing the environment, to new combat and blockbuster set pieces, it's Spider-Man unlike any you've played before. This isn’t the Spider-Man you’ve met or ever seen before. This is an experienced Peter Parker who’s more masterful at fighting big crime in New York City. At the same time, he’s struggling to balance his chaotic personal life and career while the fate of Marvel’s New York rest upon his shoulders. Be Greater: When a new villain threatens Marvel’s New York, Peter Parker and Spider-Man’s worlds collide. To save the city and those he loves, he must rise up and be greater. Feel Like Spider-Man: After eight years behind the mask, Peter Parker is a crime-fighting master. Feel the full power of a more experienced Spider-Man with improvisational combat, dynamic acrobatics, fluid urban traversal, and environmental interactions. A rookie no longer, this is the most masterful Spider-Man you’ve ever played. Worlds Collide: The worlds of Peter Parker and Spider-Man collide in an original action-packed story. In this new Spider-Man universe, iconic characters from Peter and Spider-Man’s lives have been reimagined, placing familiar characters in unique roles. Marvel’s New York is Your Playground: The Big Apple comes to life as Insomniac’s most expansive and interactive world yet. Swing through vibrant neighborhoods and catch breathtaking views of iconic Marvel and Manhattan landmarks. Use the environment to defeat villains with epic takedowns in true blockbuster action. Enjoy The City That Never Sleeps Complete Content: Get access to three story chapters that include a complete and expansive new storyline, additional challenges, along with new allies and enemies from the Spider-Man universe, and additional suits to unlock. Game of the Year Edition includes: The City That Never Sleeps DLC. 3 Story Chapters with New Missions, suits and characters: The Heist, Turf Wars, Silver Lining.
