Description

Release Date: January 02, 2018Number of Players: Two Players The RPG/fighting game phenomenon from Square Enix returns with fierce 3-on-3 battle fighting that expands on the Final Fantasy world-bending action of the Dissidia line. This team-based brawler pits legendary heroes and villains from the Final Fantasy franchise together in epic and strategic team battles. Offering strategic online and offline play, players can select from over 20 legendary characters and familiar summons, including Ifrit, Shiva and Odin, to bring into 3 vs. 3 battle. The game also brings back the DISSIDIA series’ unique "bravery combat system," alongside unparalleled visuals and seamless gameplay.
