Description

Release Date: March 27, 2018 Far Cry comes to America in the latest installment of the award-winning franchise. Freely explore Hope County's rivers, lands, and skies with the largest customizable weapon and vehicle roster ever in a Far Cry game. You are the hero of the story in a thrilling world that hits back with every punch, and where the places you discover and the locals you ally with will shape your story in ways you'll never see coming. FEATURES: Fan the flames of resistance and fight to free Hope County from the grip of a deadly cult in the newest installment of the Far Cry series. Beware of the wrath of Joseph Seed and his cult followers as you support the resistance in small-town America. Explore Hope County and discover the Montana countryside, wildlife, and its inhabitants in an exciting open world. Play your way. Build your character, make your own allies, and watch the world change as you progress. Upgrade to the Gold Edition and get immediate access to all Deluxe add-on content, plus the season pass.
