Description

Release Date: May 29, 2018 Channel Chun-Li and roll with Ryu when you play the Street Fighter 30th anniversary collection for PS4. Listen to your favorite game tracks with the included music player, and get the dirt on each fighter's backstory with extended character bios. A new online playing system pits you against other willing warriors online, while the 12 classic Street Fighter titles make the Street Fighter 30th anniversary collection the ultimate addition to your gaming collection. Features: Celebrate 30 years of this iconic fighting game series Includes the original Street Fighter released in 1987 which introduced two of gaming's most famous heroes, Ryu and Ken New gameplay options including online play for SFII Hyper Fighting, Super SFII Turbo, SF Alpha 3 and SFIII: 3rd Strike In addition to Ranked and Casual Match options, up to four players can join a lobby where they can play against the CPU while waiting for their match Each online title will have their own global leaderboard and the "rewind" tech ensures low-latency online battles Revisit historic moments from the series and explore an interactive timeline of events that helped create one of the world's leading fighting game series View stunning pieces of concept art and uncover little known facts behind each game release Scroll through character bios and learn new details about series favorites whilst enjoying sprites and key animations to see how the classic fighters have evolved over time Enjoy the most memorable Street Fighter tracks from the collection in the Music Player For a single player or two players
