Description

Release Date: November 03, 2017Number of Players: Two Players Call of Duty: WWII takes the franchise back to its roots in a cinematic experience that captures the unforgettable heroism of the soldiers who fought together in a war that changed the world forever. In addition to the game’s boots-on-the-ground combat, Multiplayer offers a host of new mode, system and gameplay innovations across map locations; while an all-new Nazi Zombies Cooperative mode unleashes a new storyline.
