Description

Release Date: February 26, 2019 DiRT Rally 2.0 is the follow up to the incredible racing game that puts players in control of a collection of the most iconic rally cars against the most challenging stages around the world. The game marks a return to the simulation style off road racing that made the original such a hit with gamers. DiRT Rally 2.0 will take you to six rally locations around the world where you can take on incredible hand crafted stages in a wide variety of cars from the history of the sport and modern day. The official game of the FIA World Rallycross Championship presented by Monster Energy, DiRT Rally 2.0 will also feature cars from the 2018 season as well as eight of the official WorldRX circuits at launch.
