Description

PITAKA iPhone 18 Pro Edge Case (Midnight) Keep your iPhone 18 Pro slim and light with the PITAKA Edge Case in Midnight. The woven aramid fiber finish adds a distinctive blue look, while PitaTap Camera Control and MagSafe support keep everyday functions close at hand. Features PitaTap offers responsive Camera Control through an integrated capacitive layer. Woven aramid fiber creates a slim case with a comfortable texture. Mammoth Resin reinforces the structure for everyday protection. Built-in magnetic ring supports MagSafe charging and compatible accessories. Tech Specs Compatible device: iPhone 18 Pro Color: Midnight (PitaTap™) Material: aramid fiber with Mammoth Resin Thickness: 1.12 ± 0.2 mm; weight: 18.5 ± 2 g PitaTap Camera Control MagSafe compatible Manufacturer part number: KI1803P
