Description

soundcore Liberty 5 Pro Earbuds (Midnight Black) Enjoy focused listening and clearer conversations with soundcore Liberty 5 Pro in Midnight Black. Adaptive noise cancellation, personalized sound and a smart charging case make these wireless earbuds convenient for everyday use. Features Adaptive ANC 4.0 adjusts noise cancellation as your surroundings change. The ANKER Thus™ AI Chip, eight microphones and two voice pickup units help isolate your voice during calls. HearID 5.0, customizable EQ and AI sound enhancement tailor listening to your preferences. Dolby Atmos with head tracking adds an immersive listening option; LDAC supports high-resolution wireless audio on compatible devices. The charging case’s 0.96-inch touchscreen provides access to basic controls and battery levels. Connect to up to three devices for convenient switching. Use 20 built-in voice commands offline in English, German, Japanese or Chinese.
