Description

Amazfit T-Rex Dual Solar Smartwatch Take on longer outdoor adventures with the Amazfit T-Rex Dual Solar, a rugged smartwatch that supplements its battery through the display and glass-ceramic back plate. Its bright AMOLED screen, offline maps, and training tools keep useful information close at hand on the trail. Features Dual-sided solar charging helps extend time between plug-in charges when conditions allow. Full-color preloaded maps and route planning support navigation away from a phone connection. Grade 5 titanium bezel and sapphire glass help protect the watch during outdoor use. Hybrid training insights and more than 180 sports modes support varied workouts. Built-in white and red flashlight adds practical light after dark. Tech Specs Color: Basalt Black watch body with black silicone strap Case diameter: 51.4 mm; 1.32-inch AMOLED display, 466 × 466 resolution, up to 3,000 nits Battery: 660 mAh; up to 25 days of typical use without relying on solar charging Water resistance: 10 ATM Dual-band positioning with six satellite positioning systems Connectivity: Wi-Fi 2.4 GHz, Bluetooth 5.2, BLE Compatible with Android 7.0 or later and iOS 15.0 or later; Zepp App What's in the Box Smartwatch with standard strap Magnetic charging head (USB-C cable not included) Instruction manual
