Description

PITAKA iPhone 18 Pro Cairn Case (California Dream-01) Protect your iPhone 18 Pro with the PITAKA Cairn Case in California Dream-01. Its colorful California Dream-01 weave combines aramid fiber with impact-absorbing TPU in a slim design that works with MagSafe. Features Bow-Arc Corner Buffer 2.0 helps cushion the phone during drops. Woven aramid fiber offers a refined texture and helps resist everyday scuffs. Built-in magnetic ring supports MagSafe charging and compatible accessories. Reinforced glass camera control button preserves touch sensitivity. Tech Specs Compatible device: iPhone 18 Pro Color: California Dream-01 Materials: aramid fiber and TPU Thickness: 2.0 ± 0.1 mm; weight: 33.4 ± 0.2 g MagSafe compatible MIL-STD-810H drop test: 2.44 m, as specified by PITAKA Manufacturer part number: KI1804CP2
