Description

PITAKA iPhone 18 Pro Summa Case (Sunset) Give your iPhone 18 Pro a refined finish with the PITAKA Summa Case in Sunset. Its woven aramid fiber design pairs a slim feel with protective materials, while the built-in magnetic ring keeps MagSafe accessories convenient. Features Full-wrap aramid fiber weave brings the Sunset pattern around the case with a smooth, comfortable feel. Orca Resin and TPU combine a firm exterior with cushioning for everyday protection. Built-in magnetic ring supports MagSafe charging and compatible accessories. Reinforced glass camera control button helps preserve touch sensitivity. Tech Specs Compatible device: iPhone 18 Pro Color: Sunset Materials: aramid fiber, Orca Resin, and TPU Thickness: 2.0 ± 0.1 mm; weight: 33.4 ± 0.2 g MagSafe compatible; supports wireless charging without removing the case Manufacturer part number: KI1802SP
