Description

Anker Laptop Power Bank (25K, 165W, Built-In and Retractable Cables) Keep a laptop, phone, and other essentials charged with the Anker Laptop Power Bank. Its 25,000 mAh capacity, two built-in USB-C cables, and smart display make portable power simple to manage throughout the day. Features Charge up to four devices at once using the two built-in USB-C cables, USB-C port, and USB-A port. Retractable USB-C cable stores neatly in the power bank; the second built-in cable doubles as a carrying strap. Smart display shows battery status and charging details at a glance. Up to 165W combined output across two USB-C connections supports demanding devices.
