Description

Dreame Air Styler Pro 5-in-1 The Dreame Air Styler Pro 5-in-1 is a multi-function hair styling system designed to dry, curl, smooth, add volume, and control flyaways with one device. With 1600W power, Coanda airflow styling, a Fast Dryer, Auto-Wrap Barrel, Smoothing Brush, Round Volumizing Brush, and Flyaway Attachment, it is built for convenient everyday styling with less reliance on high heat. Key Features 5-in-1 Styling SystemCombines drying, curling, smoothing, volumizing, and flyaway control in one set. 1600W PowerProvides strong airflow for efficient drying and styling. Coanda Effect StylingUses controlled airflow to attract and shape the hair automatically. Auto-Wrap BarrelHelps wrap hair around the barrel for easier curl styling. Round Volumizing BrushAdds lift, body, and soft volume without relying on excessive heat. Smoothing BrushHelps straighten, smooth, and control unruly hair. Flyaway AttachmentDirects airflow to help reduce frizz and create a cleaner finish. Main Feature Sections One Device for Multiple StylesThe Air Styler Pro combines five styling functions, reducing the need for separate dryers, curling tools, and smoothing brushes. Airflow-Based CurlingThe Auto-Wrap Barrel uses the Coanda effect to draw hair toward the barrel and shape it with airflow for easier styling. Volume Without Excessive HeatThe Round Volumizing Brush is designed to lift and fluff hair while supporting a softer, more natural finish. Smooth and Controlled FinishThe Smoothing Brush and Flyaway Attachment help reduce frizz, tame bedhead, and create a more polished look.
